Experience

Mariusz Bagiński is a lawyer in our Law Firm specializing in capital market law as well as commercial and civil law. He has many years of experience in servicing public companies and their shareholders, as well as entities conducting investment activities.

He had gained his experience working in the Securities and Exchange Commission, in the Department of Investment Funds, and then providing legal services to commercial companies and investment funds, as a lawyer in the legal department of one of the leading investment fund companies. For several years, he has been constantly cooperating with a large capital group listed on the main market of the Warsaw Stock Exchange.

Mariusz Bagiński led trainings as an expert in the implementation of the UCITS Directive for the Bulgarian Financial Supervision Authority (FSC) – Twinning Covenant Sofia 2006, as well as conducted trainings in the field of investment funds for representatives of the capital market.

Member of Supervisory Boards of companies from the real estate, medical and investment sectors.

Mariusz Bagiński graduated from the Faculty of Law and Administration at the University of Warsaw, obtaining a diploma with honors. He conducted legal comparative research concluded with a master thesis entitled: "Liability of management board members in Polish and American law". He continues research in the area of selected aspects of tax law with an international element.
