

Attorney-at-law trainee at the Warsaw Bar Association

Graduated of the Faculty of Law and Administration of the University of Warsaw

Languages

- English

Experience

Beata Stańska specializes in new technology law and regulatory advice for financial sector. She has many years of experience working in international technology companies.

Prior to joining our Legal Team, she had been involved in cooperation with financial institutions in the field of IT contracts and implementation of IT solutions. She has extensive experience in projects related to SAP and CRM implementation, Data Warehouse and Big Data Analytics projects as well as cloud solutions on the regulated market, both in Poland and in the EU. She is a certified SAP implementor for PM and PS modules. For a year and a half she was a manager responsible for implementing IT projects at shared services centre within the group of energy companies.

Beata Stańska graduated from the Faculty of Law and Administration of the University of Warsaw, defending her master's degree thesis on the subject of representation of a public limited liability company in an organisation.

In 2023, she passed the entrance exam for the attorney-at-law apprenticeship at Warsaw Bar Association.
