Experience

Nikola Jadwiszczak – Niedbałka specializes in capital markets law with particular emphasis on the subject of investment funds, commercial companies law and administrative proceedings. Before joining the team, she has been gaining an experience in one of the largest private investment fund management companies, acting as the Director of Closed - End Funds Department, as well as in law firms and as an in - house lawyer in a capital company.

Acting as a Director of Closed - End Funds Department she supervised and coordinated the work of a team of lawyers, as well as, as a legal guardian, independently carried out transactions with investment funds, including negotiating transaction documents and assessing and advised on the creation of legal security for the transaction. She also participated in contacts with the Polish Financial Supervision Authority and in developing and adjusting internal TFI procedures to generally applicable regulations.

In her professional practice, she has also dealt with comprehensive services for business entities, including capital companies and foreign entities. She advised on creating structures with the participation of commercial companies and closed – end investment funds. She has an experience in numerous M&A, PE and VC, providing legal support to public companies and companies in restructuring and bankruptcy, conducting issues of bonds and subscription warrants, as well as in the field of the over-the-counter trading in futures contracts listed on the Towarowa Gielda Energii S.A.

She graduated with honors from the Faculty of Law at the Faculty of Law and Administration of the Cardinal Stefan Wyszyński University in Warsaw, defending her master's thesis on the admissibility of the "golden share" under European Union law and Polish law. She obtained a certificate of completion of the Business Law program, during which she gained in-depth knowledge in the field of legal aspects of running and financing business activities.

In 2017, she passed the entrance exam for the attorney-at-law apprenticeship at The Warsaw Bar Association with distinction. During the period from 2017 to 2019, she conducted classes in the field public economic law for law and administration students as an assistant at the Department of Public Economic Law at the Faculty of Law and Administration of the Cardinal Stefan Wyszyński University in Warsaw. She is the author of numerous specialist publications on scope of commercial companies law, administrative law, tax law and philosophy of law.
