Experience

Mirosław Gawlik is a attorney-at-law with many years of experience in the field commercial law, civil law and personal data protection. He has significant experience in providing direct services to both Polish and foreign clients.

His work to date has included leading and coordinating work in several dozen projects covering both legal and tax issues, including transformations, divisions and mergers of companies, succession projects due diligence and also real estate and debt acquisition transactions.

Mirosław provides comprehensive legal services for M&A transactions, offering support in the process of preparing and negotiating documents related to investments both in Poland and abroad, including legal services for investment processes of venture capital companies.

He gained experience by providing legal advisory services to (among others) a foreign fund investing in shopping centers, one of the largest energy companies in Poland, a construction company responsible for the construction of railways and underground railways, as well as leading companies providing IT services and companies with brands recognizable in Europe. He has several years of experience in the field of personal data protection. He dealt with the preparation of reports, recommendations and adaptation of documentation to the provisions of the GDPR in several dozen entities (including loan and IT companies).

Mirosław Gawlik graduated from the Faculty of Law, Administration and Economics at the University of Wrocław, with master's thesis on the legal limits of tax optimization in economic activity.

Privately, he is interested in the music of the 70s, philosophy and board games.
